Hi Patty,

Hopefully you have just received an automatic message from SharePoint inviting you to the new Pebble PO/NR Team site. Now that the site is up and running, if there is time on the Agenda, I would suggest adding an agenda item to discuss use of the site.

Thanks

Molly

**Subject:** Pebble permitting oversight/NEPA team meetings

Hello team-

Earlier today I sent out a meeting announcement for a Pebble NEPA/permitting oversight team meeting next Thursday, that will repeat monthly.

Cindi caught an issue with timing of the original meeting announcement, so I just resent. Sorry for the confusion.

Following is an agenda for the meeting. Please let me know if you have additional topics.

#### Agenda

- Status of cooperating agency arrangement and EPA's role

- Pebble Limited Partnership meeting with the RA
- Schedule for scoping
- Next steps

Thanks –

Patty
